

iterators::zip

```
graph LR; A[iterators::zip] --> B[iterators::impl::DERIVE_VIEW_INTERFACE];
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'iterators::zip'. A dark blue arrow points from the right side of this box to the left side of a larger white rectangular box on the right. The white box contains the text 'iterators::impl::DERIVE_VIEW_INTERFACE'.

iterators::impl::DERIVE
